

Mount Buller Disc Golf

Welcome to Mount Buller Disc Golf Course!
Disc Golf is a fun recreational activity for people of all ages. The aim of the game is to throw your disc from the tee pad into the disc catching basket in the least number of throws. This course has 18 unique holes to complete.

HOW TO PLAY

Safety and Courtesy

- Always give other users the right of way.
- Never throw when others are within range.
- Respect the natural flora and fauna – keep the course tidy.

Start

Each hole begins with a tee-off throw from the tee pad. After everyone has thrown, the player whose disc is furthest from the basket throws next.

Next Throw

Wherever your disc lands on the fairway is your lie, and where you must take your next throw towards the basket. Players may take a run up, but you must throw from behind your lie. A follow-through is allowed after you release the disc.

Putting

Throws which are less than 10m from the basket require players to stay behind your lie until the disc comes to rest.

Completion of Hole

A hole is completed when your disc comes to rest in the basket tray or chains. On top of the basket does not count.

Playing in Order

When you start each new hole, the player with the lowest score on the previous hole throws first.

Out of Bounds and Hazards

An out of bounds (OB) area is an area designated from which a disc may not be played. If a disc comes to rest surrounded by OB, a one-throw penalty is added to the score and the next throw is taken from the point where the disc crossed in to the OB area. If your disc comes to rest inside a hazard (bike track), the next throw must be taken back outside the hazard on the line of play with no penalty.
